ENDOW YOUR ANNUAL MEMBERSHIP AND SUPPORT THE NEXT GENERATION

Become a Lifetime Member

Lifetime members believe in making a lifelong impact on nature-based education and the protection of outdoor natural areas.

Impact

With a \$1,000 gift, lifetime membership contributions grow the Nature Center's endowment. They are deposited into an endowed fund to benefit ICNC. Each year the Nature Center receives a distribution from the fund, which directly supports mission delivery. This distribution acts as your annual membership fee, giving you the ability to make a separate, annual donation to an area of our mission that is important to you.

Benefits

A lifetime membership provides benefits for one person. Children living in your household or grandchildren under age 21 can use the benefits as well. Each additional adult lifetime membership costs \$1,000. Memberships make great gifts!

Lifetime members receive all current membership benefits, including:

- Recognition on the Lifetime Member display hanging in Amazing Space
- Invitation to an annual Lifetime Member Reception
- Four free tickets to Maple Syrup Festival
- Priority registration for summer camps
- Discount on Creek Camps for children or grandchildren
- Free snowshoe rental
- Discount on building, facility and equipment rentals
- Reciprocal admission to other nature centers
- 10% discount in Creekside Shop
- Member pricing on select programs
